PUSD Board Approves 26 New Teachers

PLACENTIA—The Board of Trustees of the Placentia Unified School District voted to authorize the hiring of 26 additional teachers to relieve overcrowding in some classes in the district at a special meeting held last Saturday morning.

One teacher will be assigned to Kraemer Intermediate, two to Tuffree Intermediate, one to Yorba Intermediate, three to El Dorado High School, five to Valencia High School and four to elementary schools. The other ten will be assigned to schools as needed.

District officials estimated that the additional teachers will cost about \$150,000, which will come from the district general fund.

Clyde Williams, president of the Placentia Unified Education Association, reacted positively to the Board's total allocation of 26 teachers. "We insisted all along that emergency adjustments of class size were absolutely necessary," Williams commended the efforts of the Negotiating Council in spearheading the drive for the emergency adjustments.

The board had promised last month not to let unsound class loading persist in district schools. The action taken this week is expected by district officials to relieve most of the problems in the schools.

Stop Signs Installed At Corner

PLACENTIA—A three-way stop has been installed at the intersection of Borromeo Avenue and Tuffree Boulevard.

The installation of these traffic controls was initiated by the increase in traffic on Tuffree Boulevard due to the many activities taking place in the new Tuffree Hill Park.

According to the Public Works Department all the necessary signing is now in place. It is requested that all persons driving in this area pay particular attention to the intersection in the interest of traffic safety.

PLACENTIA—Tickets for the Placentia-Titan night are on sale through the Recreation and Parks office. The tickets may be obtained by mail. Ticket prices are normally \$3 for general admission, and \$1 for students. Ticket prices through the Recreation and Parks Department are \$2.50 and \$1.

The game will take place Thursday evening, October 29 at 7:30 p.m. The unbeaten Cal State

Edith Sjolin of the Placentia Jaycettes holds a pinata while Leandro Segovia shows Lynn Sjolin, Anna Maria Wong, and David Oliver how to open the pinata in preparation for the Heritage Days Festival running in Placentia this week.

Liquor Store Hit By Recent Armed Robbery

PLACENTIA — An armed man held up Cero's Liquor Store in the Palm Village Shopping Center last Wednesday evening shortly after

10 p.m. A young man entered the store and gestured to the clerk, Robert Johnson, that he should notice the bulge he had at his waist, according to the police.

Johnson thought the suspect had a parcel, but quickly discovered that the bulge was a leather gun holster. From the holster the suspect drew a blue snub nosed revolver and demanded the contents of the register from Johnson, said police.

The clerk emptied the contents of the till into a small brown sack. The suspect then demanded the contents of the second register. Total loss is \$195.

YL Council OK's Winter Recreation

YORBA LINDA — The City Council approved the inauguration of a winter recreation program to begin today at its regular meeting Monday evening.

The program would be run in cooperation with the Yorba Linda School District with Ken Sparks serving as recreation director. Sparks directed this summer's successful program.

Councilmen awarded the bid for maintenance of city parks, parkways and greenbelts to Environmental Care, Inc. in the amount of \$22,250.60, all of which will not be spent this year because all areas to be maintained are not yet under city control.

Girl Killed In Auto Accident

PLACENTIA — Five year old Michelle Lurdes Reyes of 618 W. Santa Fe, Placentia, was fatally injured as she was struck by a car near her home on Saturday afternoon, according to police.

With several neighborhood children Michelle was purchasing a treat from the ice cream truck parked at the side of the 600 block of Santa Fe.

Michael Bruce Neilson, 30, 16742 Huggins Avenue, Placentia, reduced his speed as he observed the ice cream truck. The children were not in view, said police. As he was about to pass the parked truck, little Michelle, sno-cone in hand, darted from the front of the parked truck. She ran into the path of Neilson's VW. He was unable to avoid striking the child, according to reports.

Placentia Police called to the scene, summoned an ambulance, and Michelle was taken to St. Jude Hospital where she died Sunday.

Health News . . .

8 of 10 County Residents Will Have Low Back Pain

"One of the most distressing statistics regarding the health of our Orange County Citizens is that 8 out of every 10 of them will sometime be struck down by low back pain."

In reporting this startling figure, Dr. Donald Brinkley, Brinkley Chiropractic Center, notes that "...it is downright depressing when you realize that so much of the pain and suffering could be avoided by precautionary check-ups or effective treatment at the first signs of the problem."

Dr. Donald Brinkley

According to Dr. Brinkley, low back pain has become a hazard to a family economy as scores of Orange County area industrial workers are disabled annually by low back pain.

"The high incidence of low back pain is not surprising when we combine the facts that most low back pain is due to mechanical defects of the spine," says Dr. Brinkley. "And that 75% of all forward bending or stooping motion occurs in the low back."

The structural or mechanical defects of the low back usually develop slowly and without pain over a period of many months. "The first signs of the developing defect," says Dr. Brinkley, "might be no more than an occasional 'catch,' or a slight change of posture or a vague weakness or tight feeling in the hips or legs."

"As the defect develops to a crucial point," he continues, "a slight unguarded move or an unusual exercise is

sufficient to disable the victim for days, weeks, or unfortunately in some cases, permanently."

"If only persons 30 and older would realize that their chances of low back disablement are high," Dr. Brinkley states. "If you reverse the statistics we've mentioned you realize that your chances are only 2 in 10 that you won't have low back troubles unless you are checked for potential or existing problems and receive proper care and effective treatment."

Most leading insurance companies and workmen's compensation pay claims are for on-the-job back injuries.

"But your best insurance against disabling spinal disorders and, specifically low back pain, is the detection of spinal defects in the early stages," says Dr. Brinkley.

"I do so firmly believe," he adds, "that our Center offers you and your family a regular professionally directed spinal hygiene program that allows you to be among the fortunate few who will go through life without the unhappy and painful incidence of low back disablement."

Further information regarding this common back problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Mrs. Carlson Writes New Book

"Creative Knitting and Crocheting" is the title of a new book written by a Yorba Linda author, Rosalin Carlson. Mrs. Carlson's book was published last December by Hearthside Press in New York and sold over 1,000 copies in the first two weeks.

The 200 page book is full of illustrations and

diagrams, many of which were done by her husband. The illustrations are so well done that a neighbor of Mrs. Carlson's from Formosa learned to crochet using her book without reading the text.

Mrs. Carlson has taught knitting and crocheting in adult education classes for a number of years. She was also asked by Sears to be the consultant for their knitting instruction course. During a two and one-half year program she trained instructors and wrote the material for the course which had an enrollment of over 20,000.

The purpose of this book is to teach knitters to be independent designers of their own fashions. This book enables the student to have a real mastery of assembling, finishing and trimming.

YL Womens Club To Hold Meeting October 27

The art and science of shopping in the modern marketplace will be the subject of a special slide program to be presented by the Yorba Linda Woman's Club at their next meeting, it was announced today by Mrs. William Marx, program chairman. The meeting will take place October 27th, 12:30 at the Clubhouse.

The program is a particularly timely one, due to the importance to the economy of having an informed, responsible buying public as recognized today by both government and industry.

Planned in cooperation with the Sperry and Hutchinson Company, the program entitled, "To

market, to market," is designed to help the average consumer improve her shopping techniques by making her aware of some of the pressures and complexities of the marketplace.

Troy Smashed By Rival Sunny Hills

The Sunny Hills Lancers, with visions of C.I.F. in their eyes, rolled over the fading Troy Warriors by a

score of 30-8. "Do-it-all" quarterback Gary Carter, along with tailback Craig Johnson, were responsible for all five Lancer scores.

After taking the opening kick-off, Sunny Hills proceeded to march 57 yards on 7 rushing plays, with Johnson going over from two yards out. A 27 yard off-tackle scramble by Johnson on the third down kept the drive alive.

Late in the first quarter, the Lancers tallied again. The drive, covering 68 yards in just five plays, was capped by a 29 yard Carter-to-Mike Conway T.D. pass.

Troy roared out in the second half and after the defense stopped the Lancers on down, quarter Bill Cathers led the Warriors 58 yards to the Lancer four where Jeff Cromwell's fourth down sweep was thwarted. However the Lancers' Steve Bustanoby fumbled on the next play and Troy recovered. Two plays later Glen Adame scored from the two. Cathers added two more with a sprint-out sweep to make the score stand 20-8 at the end of three quarters.

Troy runner Dave Reimann tries to get by a Sunny Hills defender during action last weekend. Troy lost the game 30-6.

CSF Takes Fourth Game With 33-25 Win

Cal State Fullerton's Football team returns to Orange County just as it left it, undefeated. The club will probably run into one of its stiffest opponents of the year tomorrow night against the University of Nevada at Las Vegas at Anaheim Stadium with play beginning at 7:30.

Last year the Rebels recorded a 6-4 won loss

record and have 31 returning lettermen so the Titans will have no easy task in remaining undefeated in their first year of action.

CSF continued its winning streak by coming from 19 points down to overcome San Fernando Valley State 33-25 at Birmingham High School.

With quarterback Mike Ernst, Tyronne Perry, Terry McClean and Len Gaeta finally getting the offense clicking the Titans were able to record their fourth victory against one tie.

With 4:19 to go in the third quarter the Titans took the lead from Valley when Ernst stepped into the end zone from one yard out after completing two passes to Bruce Rogge and a 43 yarder to Stan Chapman and then completing a seven yard pass to Perry.

Valley, in making an all out effort, missed two more chances to score thanks to great plays from Niel Vickers who knocked down a pass at the goal line then intercepted another in the end zone with 1:35 to go in the game returning it 102 yards only for it to be called back due to a clipping penalty.

QB Ernst threw for 236 yards completing 22 passes out of 37 attempts. Perry was on the receiving end of those passes nine times gaining 98 yards. McClean carried the ball 12 times gaining over half the teams output.

opponents, Mission Viejo 20-0, Troy 36-21, Ontario 12-0, La Mirada 38-7 and ED last week.

It was not just a one man performance against Valencia's cross-town rival but a complete team performance with one man leading the massacre and his name is Brian Myracle.

Craig Huewe, Ross McCrae, Ed Gonzalez, Joe Campos and Harley McVea will have their hands full in trying to stop the SB quarterback who is one of Orange Counties finest players and seems to be outstanding every time he steps on the playing field.

Then there is the defensive secondary which stole five passes from Jim Hendershot who is supposed to be one of Orange Counties finest throwers.

The Tiger win last week was closer than the score shows. It wasn't regular quarterbacks Dean Yamada

or Ed Snead that got the team rolling with a 12-7 lead with 11:21 showing on the clock.

Coach Dave Stout inserted Sophomore Tom Ricks into the lineup and he immediately drove the club 71 yards in 14 plays with some good running from himself and help from fullback Scott Sommerville. With a fourth and four situation Ricks carried the ball around end putting on some fine moves going 15 yards to the three-yard line. After two plays Dave Fugiammi then carried it over from the one.

Ray Guerro's kick was good making the score 19-7 and putting the Tigers out of reach.

It wasn't over yet for the Tigers as Ricks led Valencia 33 yards downfield. A six yard run by Sommerville brought the score to 26-7.

For the Tigers it just might take a Miracle to stop Myracle this Friday evening.

El Dorado Smashed By Saddleback

El Dorado will play an afternoon game at 2 p.m. this Saturday, against the Sonora Raiders.

It will be Homecoming Week at El Dorado and the Hawks will have another tough battle against the Raiders.

Last week the Varsity gridders fell to undefeated Saddleback, 42-7. The Roadrunners played an aggressive game and are hoping to go to CIF this year.

Led by number 35, Devon Trehand, the first

time Saddleback got the ball they penetrated through EDHS's line easily. On the first play, Trehand swept for 35 yards off the right end. However penalties stopped the Roadrunners attack.

Saddleback scored in the opening minutes of the second quarter and scored again on a pass interception from Quarterback Phil Hendershot. The half time score was 14-0.

In the third quarter, a bomb led to Saddleback's third touchdown. However,

Hendershot finally got some momentum. Starting on ED's ten yard line, Hendershot hit end Steve Kirschner with a 50 yard pass. Then Mike Adams broke away with a 30 yard run and a 15 yard run to the Roadrunners 4 yard line. Dick Ray scored the touchdown and Mark Davenport kicked the extra point.

Trehand and Co. got on the move again and scored on another Hendershot interception. Saddleback scored two more times in the last five minutes.

FJC Defeats Orange Coast In League Game

Fullerton Junior College won its second conference game last Saturday night defeating a tough Orange Coast ball club 21-7 before an overflow crowd of 8,000 people at Lebard Stadium.

Orange Coast with two whole weeks to prepare for the Hornets did their lessons well holding the nation's number one team to one first down and slowed down their great passing attack led by Pirate pass rush and JC All American candidate Dave Gleason until the third period.

Except for a couple of bad breaks the Pirates could have scored their second victory.

The defense spelled the story once again for FJC as they got to Orange Coast Quarterbacks Gary

Valbuena and Steve Shedd six times.

In the third quarter Gary Wann punted deep into the Bucs territory and on a fourth down situation Zack Tatum broke through the line to block George Barnets punt on the goalline and Marc Eden fell on it in the end zone to give FJC a 13-0 lead. Haughn's PAT was good making the score 14-0.

Norm Kepner took over in the fourth quarter and led the Hornets on their only good drive of the evening. A 15 yard and a 23 yard pass from Kepner to split end Greg Schnurr put the ball on the 16 yard line and three plays later Haughn scored from one yard out.

Three of the girls will be named princesses at the annual homecoming assembly slated for October 27. On October 31, during

the halftime of the Tigers versus Sonoras' Raiders game, the queen will be revealed and crowned.

Junior girls selected as candidates for class attendant are Kandy Eggers, Brook Hannah, Pam Hunter, Viki Jones, Cindy Meyer and Cindy Wright.

Barbara Blunt, Terri Foss, Danielle Lovejoy, Dede Mortinsen and Christi Pachiano will run for sophomore attendant.

Freshman candidates are Julie Bella, Lisa Crocker, Rolene Sagara, Pam Snow and Ruth Triglia.

Elections for final homecoming court positions will be held Tuesday, October 22, at noon.

El Dorado Anticipates Homecoming Activities

Final plans have been made for El Dorado High School's second annual homecoming, scheduled for this Saturday.

The Hawks take on the Sonora Raiders in what should prove to be an exciting contest. Kickoff is scheduled for 2 p.m. at Bradford Stadium.

Prior to the game, a parade featuring the Homecoming floats will travel from El Dorado to Bradford Field. Rooters will follow the parade by car, and should be at El Dorado High School by 12:30 p.m.

Later that night, the annual Homecoming semi-formal will be held in the El Dorado gym from 8 p.m. till midnight.

Homecoming princesses have already been elected. They will be Patty Jernigan, junior princess, Lorrie Hinman sophomore princess, and Julie Swanson, freshman princess. Queen nominees are Maggie Mahoney, Nancy McClarnon and Sue Kenson.

A queen and two senior princesses will be crowned during halftime ceremonies at the game.

Troy To Hold Homecoming Activities This Weekend

Returning alumni and Troy High School students will be out in large numbers for the school's fourth Homecoming football game and dance on Friday and Saturday, October 23 and 24.

Events for the weekend will begin on Friday at 8 p.m. in the Fullerton High School stadium, when the Warrior football team plays Fullerton.

Jayne Tyson, last year's Homecoming Queen, will be present to crown the new queen, whose name will be announced at the game.

An optional formal or semi-formal dance with the theme, "Old Friends," will end the festivities on

Saturday from 8 p.m. until midnight. A light show which includes pictures of people, will be featured at the dance.

According to assistant principal Duncan Johnson, supervising student activities, tickets for the game may be obtained at the school on Thursday and Friday, October 22 and 23 from noon until one p.m. Dance tickets may be purchased all during the week.

Student activities co-chairmen Susan Cothren and Karen Lowe are in charge of the weekend events. Senior Shirley Gordon is arranging for a special surprise at the game.

Mark Kerwin and Tina Dugan look into pocket lady Mrs. Frank Currie's pockets to see what they can find in preparation for Orchard Drive School carnival to be held October 24 from 11 a.m. to 3 p.m. at the school. Theme of the carnival is "It's a Small World."

For the first time in El Dorado High School's history, a freshman cheerleading squad has been selected.

Judy Cohoon, Vicki Kenny, Mauna Morley, and Dawn Smith join El

Dorado's pep squad and will participate in pep rallies.

According to Mrs. Barbara Ellerbroek, advisor, "We think it will produce more spirit, especially for the freshman class."

Esta columna publicara semanalmente, las MEDIDAS DE LA BOLETA ESTATAL, para la ELECCION GENERAL el 3 de Noviembre de 1970.

Con el interes de informar a los ciudadanos, La Liga de Mujeres Votantes de California, publica una explicacion y los resúmenes principales, en pro y en contra de las medidas Estatales en la boleta electoral. Al hacer esto dich Liga no juzga sus meritos respectivos; esto es el deber de cada votante. Esta informacion es con el dicha de ayudar al votante a decidir por si mismo. Los miembros de la Liga preparan un analisis de los antecedentes de las medidas y un comite particular lee esta informacion para ver si los objetivos son justos y exactos. Los resúmenes en pro y en contra estan escritos por individuos y organizaciones que han expresado oposicion o apoyo, a la medida determinada. La boleta de Eleccion General de 1970, contiene 20 medidas para todo el estado. Hay 16 enmiendas constitucionales y dos proyectos de bonos. Todas las medidas de las boletas se hacen leyes si los votos afirmativos que reciben son mas de la mitad de los votos sometidos. Los

The sale is being sponsored by Friends of the Placentia Library.

Legisladores pueden como tambien los electores, cambiar las leyes viejas. Tambien pueden hacer leyes nuevas. Hacen esto poniendo proposiciones en la boleta electoral. Sobre ellas votamos, las aprovamos o desechamos. Esta informacion no trata de decirle a usted como votar, sino como expresar su decision. Usted puede votar SI o puede votar NO. Votar a favor quiere decir SI, en contra es NO. Lea esta informacion cuidadosamente y decida como va a votar el 3 de Noviembre de 1970. El destino y la administracion de nuestra nacion depende de su conciencia al depositar su voto en esta fecha.

PROPOSICION 1— Esta permitira al Estado a obtener \$250 millones para ayudar a las ciudades a construir plantas para purificacion del agua y evitar que los pozos o aguas negras contaminen nustrors. Si el Estado contribuye con dinero para este proyecto, el Gobierno Federal tambien contribuira, permitiendo menos costo para las ciudades. El dinero se obtiene vendiendo bonos y la deuda se pagara en un periodo de 25 a 30 anos. El agua limpia es importante para la buena salud. Todos debemos a ayudar a pagar el costo. Nadie presento argumento cuando esta Proposicion I se presento ante el Secretario de Estado. No hubo contradiccion.

PROPOSICION 2— En el presente la ley permite a la Corte Suprema a decir quien debe substituir al Gobernador, si esta se enferma o sufre algun accidente y no puede desempenar su trabajo. Esta proposicion permitira que la Corte Suprema, solucione el

problema en la misma manera si otros funcionarios del Estado, se encuentran en las mismas circunstancias del Gobernador. Esta Proposicion cubre a los seis funcionarios mas altos en nuestro gobierno. Si vota afirmativamente, quiere decir que esto es lo mas ajusto, ya que la Corte Suprema decidira por si misma y no permitira que los politicos le dicten a quien escojer. Si vota NO quiere decir que otros funcionarios pueden desempenar el trabajo si el electo se enferma.

PROPOSICION 3— Todos los anos el Gobernador calcula el dinero que el Estado va a necesitar y las entradas que

el estado va a recibir durante el proximo ano. Esto se llama presupuesto. La ley en el presente dice que el Gobernador debe presentar el presupuesto a la Legislatura durante los primeros 30 dias de enero. Este debe aprobarse antes del primero de Julio de cada ano. Es difcil determinar cuanto dinero se necesita, para sostener el numero de programas que existen. Se toma tiempo en ponerse de acuerdo. En 1969-70 el presupuesto no se aprobo hasta despues del lor de Julio. La Proposicion dice que el Gobernador tendra que presentar el presupuesto los primeros diez dias de Enero y aprobarse por la Legislatura antes del 15 de

Junio, Si vota SI el Gobernador presenta el presupuesto pronto para la Legislatura tener tiempo para estudiarlo. NO— Un nuevo Gobernador tendria el problema de formular el presupuesto en tan corto tiempo.

Announcing the Browning BLR... a new brand from old hands at designing lever actions. A lever action legacy born with the Model 1886 Winchester and spurred on with Winchester models '87, '92, '94 and '95 invented by John M. Browning. Today's new Browning bears a resemblance to those early levers, yet you'll find it's 1970 all the way. Straight shooting, fast and safe to operate, and it's made in two sizzling calibers... .243 and .308.

Less than 40 inches in overall length and 6 pounds 15 ounces in weight, the BLR is a handy as any saddle gun ever made.
